# BELLEZZA CHIANTI CLASSICO DOCG GRAN SELEZIONE

“A wine with a true Tuscan soul”

The highest quality grapes selected in a single estate vineyard gives us this powerful Chianti Classico wine, authentic and elegant.

The word ‘Bellezza’(Beauty) was familiarly used by us to refer this vineyard for its beauty and special production, thus it became the vineyard nickname.

## Grapes

100% Sangiovese

## Winemaking

High care is given these grapes on the vine first and then in the cellar, during each operation, every day during the alcoholic fermentation and the malolactic fermentation, which takes place in new French oak barriques.

The wine is aged, for a period of 14/16 months in small capacity barrels (225 litres), which give the wine softness and emphasise the typical flavour of the grape.

Long bottle maturation to give balance and enhance the fragrances.
